

Dear parents

Disney Academy would like to introduce Dancing Beetles.

Children are exposed to songs, rhymes and stories in Afrikaans, English, Zulu and Sotho.

What is Dancing Beetles?

Dancing Beetles helps to develop happy children through music. Music stimulation that develops your 0–6-year-old holistically in a fun and exciting manner.

Components of Dancing Beetles

- Musical stories developing life skills and cultural awareness.
- Musical activities on drums.
- Flexibility of movement through the use of a variety of percussion instruments.
- Teaching children's skills to operate in a group.
- Dancing, singing and musical preparation.

Musical Activities will do the following for your child.

- Develop mathematical and reasoning abilities.
- Change the way your child thinks by using the left and right brain simultaneously.
- Stimulate your child's problem-solving ability.
- Increase your child's memory.
- Create a happy child.

Classes are structured to develop every aspect of the growing child. Rhythm, coordination, language, mathematical and social skills all develop with music as medium.

All this can be achieved by just adding R180 to the school fees.

Please sign which option you prefer:

I would like my child to take part, please include the R180 into my monthly school fees.

I would prefer my child not to take part _____

Name of child _____
